"King of Steak & Fries"

Les Bouchons has been a well-known name in Singapore since 2002 for classic and value-for-money Steak Frites & French cuisine.

Tastefully decorated and overlooking the Marina, Les Bouchons Puteri Harbour is an excellent event venue that can cater for all kinds of Personal & Corporate events, be it for a full restaurant booking or for a private dining room which can cater up to **108** guests with the flexibility to customize according to your event needs.

# Food & Beverage

Remaining true to the Les Bouchons brand, guests can look forward to dining over a delicious meal of grilled quality meats, seafood, and classic French dishes amidst a relaxed and casual ambience that is reminiscent to an authentic Parisian bistro in France.

As an excellent accompaniment to Steaks, Les Bouchons Puteri Harbour also offers a wine list of over 80 labels which includes old and new world, rare and vintage selections – with over 80% from France.
